MISSION AND OUTREACH NEWS

TYPHOONS LEAVE FILIPINOS REELING, SAYS BISHOP SORIANO

Filipinos are reeling from the impact of multiple typhoons this fall, says United Methodist Bishop Leo Soriano of the Davao area of the Philippines. Just one week after Tropical Storm Ketsana struck Sept. 26, Typhoon Parma hovered over the country for five days. You can just imagine (how) it added to the floods, he said while visiting United Methodist Communications on Nov. 16. Soriano expects this Christmas to be a very bleak one in the Philippines, but hopes other United Methodists will pray for them and contribute financially to the recovery. UMNS [Read More](#)

UNITED METHODIST BISHOPS LAUNCH APPEAL OF PHILIPPINES

The United Methodist Council of Bishops has issued a Church-wide Appeal for Philippines Disasters in response to the multiple typhoons that struck the country. The appeal, which was announced Nov. 19, will provide humanitarian relief and support for the ministries of The United Methodist Church in the Philippines. In late September and October, four typhoons Ketsana, Parma, Lupit and Mirinae hit the Philippines, leaving more than a thousand dead and an estimated 1.3 million people displaced.

Can you imagine all the small villages near a mountainside being buried and thousands of lives lost? said Bishop Leo A. Soriano, episcopal leader of the Davao Area. UMNS [Read More](#)

METHODISTS IN PUERTO RICO ELECT NEW BISHOP

A clergyman who is also a trained musician will be the next spiritual leader of the Methodist Church of Puerto Rico. The Rev. Rafael Moreno Rivas, pastor of the University Methodist Church in Rio Piedras since 2000, was elected bishop Nov. 14 at a special session of the church's General Conference. He will take office on Jan. 1, when the term of Bishop Juan A. Vera expires. Bishops in the Puerto Rican Methodist Church serve six-year terms. UMNS [Read More](#)

UNITED METHODIST MEN TO START MENTORING PROGRAM

At least 70 boys whose fathers are in jail or prison will be mentored by big brothers as the result of a \$7,200 grant to United Methodist Men from the United Methodist General Board of Church and Society. Nationally, 7.3 million children have at least one parent in jail or prison, and these children are five times more likely than their peers to commit crimes. Funds for the program come from Human Relations Day offerings received in local United Methodist churches on the Sunday nearest the birthday of the Rev. Martin Luther King Jr. The effort to secure big brothers in 11 annual conferences will begin in 2010. UMNS

BLOOMBYTES: REPORT SHOW FRIGHTENING RISE IN U.S. HUNGER

A report released Nov. 16 by the U.S. Department of Agriculture shows that 49 million people live in households where there sometimes isn't enough to eat. In her blog, United Methodist News Service News Writer Linda Bloom says, "That's not only the highest number reported since the government began tracking food insecurity 14 years ago, but an increase of 13 million from just a year ago. This has to be one of the most frightening statistics related to the recession." [Read blog post](#)

AFRICA UNIVERSITY DONORS MATCHING GIFTS FOR SCHOLARSHIPS

Africa University's Honorary Alumni Association is trying to raise \$20,000 or more by Dec. 15 for its endowed scholarship fund. Two members of the association are participating in a dollar-for-dollar match, up to \$10,000, for all gifts by that date. The scholarship fund makes it possible for students who cannot pay tuition to be educated at the United Methodist-related university, located in Mutare, Zimbabwe. HOW TO OBSERVE THANKSGIVING

Count your blessings instead of your crosses;
Count your gains instead of your losses;
Count your joys instead of your woes;
Count your friends instead of your foes;
Count your smiles instead of your tears;
Count your courage instead of your fears.
Count your full years instead of your lean;
Count your kind deeds instead of your mean.
